Student Learning Outcomes for **ANTHROPOLOGY 102** are as follows.

Upon completion of this course, students will be able to:

1. Reason about and interpret social and cultural behavior, both past and present, in comparative terms.
2. Demonstrate a perspective of cultural relativism that reflects an awareness of and sensitivity to cross-cultural differences among human societies.
3. Apply anthropological principles in situations likely to be encountered in everyday life, including as related to self, family, community, and professional careers.
